Dear Harold,

Many thanks for your letter which arrived today addressed to Tony. Since I am dealing with the question of the impeachment of Douglas, I have taken your kind offer on board and will get back to you as soon as I return from Texas. (I'm going to the Johnson Library on Monday for a week).

I'm determined we shall get out to see you before our return to England. I didn't know you were having an eye operation. I trust it was successful and you are feeling as well as you can be. Not being able to read for a while must be very frustrating!

All our best from here to you and Lil, and look forward to talking with you soon.

Kathy
